EDITORIAL

Well hello and welcome to issue seven of Last Chance,which is the second issue with me as editor.
I must firstly apologise for the delay in it coming out as I did say in the last issue that it would be out before X-mas,but due to circumstances beyond my control (I had to have my tonsils out) its been delayed,but better late than never and hopefully you'll agree.
Also you may notice that there is different typing throughout the zine,this is due to the fact that I invested in a new typewriter whilst still half way through.I hope it doesn't bother you too much.
Lastly,I must mention that the contents of this zine are not exactly what I said they would be but I'm sure that you'll find the contents to your liking,if not write in and tell me.
I'd like to thank everybody who has helped me with the zine,you know who you are!

Cheers

GRADE ONE INTERVIEW

Now,Grade One are hardly a new band to the skinhead scene, although I think that they have not received the publicity that they deserve. They hail from Cambridgeshire and Suffolk and have been going a fair old while.
As the band are good personal friends of mine I thought that I'd give them an interview for Last Chance to help,perhaps,give them the publicity they need.
I will now stop babbling and let them get on with the interview.....

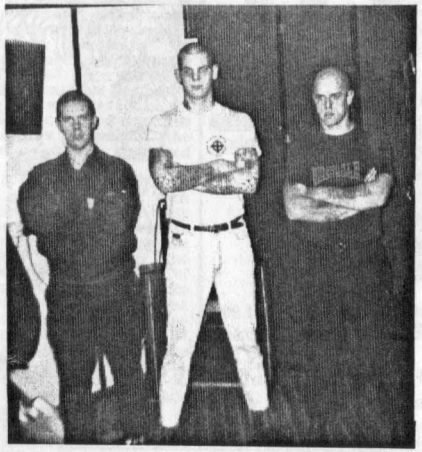

PHOTO L-R
Doc - Bass, Charlie - Guitar, Mick - Vocals

LC. When and why did Grade One form ?
GO. We formed just over three years ago with a totally different Line-up, it seemed like a good idea at the time.

LC. Give a brief history of the band
GO. The band was originally formed by 3 skinheads from Cambridge,who have since left the band and Charlie.The original bassist then left and Doc took his place.We played one gig in Ipswich and then split up completely.A few months later Doc and Charlie got together again and after a few members and change arounds we are now with our present line up which is...MICK - VOCALS,DOC - BASS,JAMES - DRUMS and CHARLIE - GUITAR.

LC. What influences do Grade One have ?
GO. We're not conciously influenced by anyone but bands we listen to range from, 4Skins, No Remorse,Skullhead,Stiff Little Fingers.

LC. Where do Grade One stand politically ?
GO. We are a proud nationalist skinhead band.

LC. You mentioned earlier that you've played only one gig,was that with Splodge and what did you think of Max Splodge ?
GO. Yes it was in Ipswich with Splodge, and we thought that he was a fat arrogant rip off merchant who thinks that he is a pop star.

LC. What is the skinhead scene like in your area nowadays ?
GO. Up until about 18 months ago there were alot of skinheads around our area, we all used to go around together but lately things have died out mainly due to people getting married and playing Mr & Mrs house.

LC. Doc,your bassist is currently playing with Condemned 84,does it bother you having to share a bassist with another band ?
GO. Doc no longer plays with Condemned 84,but we weren't too happy about it in the first place.

Grade One interview cntd.

LC. How many members of the band are actually skinheads ?
GO. Three of us are skinheads,Mick,Charlie and Doc, our drummer James is a Punk.

LC. Now that the band has got its line up sorted out what do you consider to be your first priorities?
GO. Our immediate priority is getting ready to start doing gigs,its been a long wait but I think that it will be worth it.

LC. Have you got any releases in the pipe line ?
GO. We should be recording in a couple of months and Gael of Rebelles Europeens seemed interested in releasing a single when we were ready.

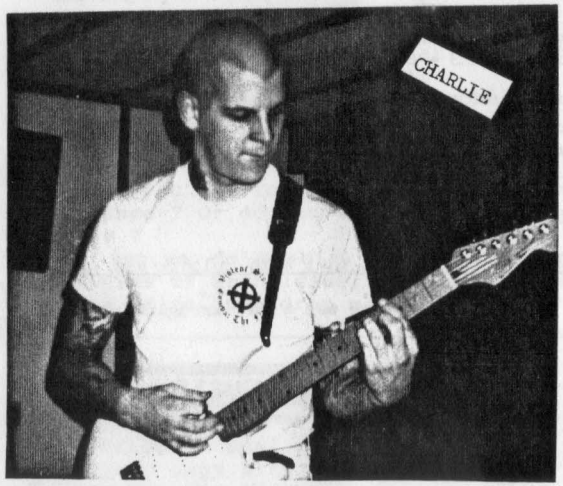
LC. Is there any Grade One merchandise available ?
GO. Its a bit early for T-shirts and other merchandise but we'll get all that organised when the time comes.But if anyone is interested in us and wants any information the address is ...

GRADE ONE
AVALON
STATION ROAD
LONGSTANTON
CAMBRIDGESHIRE
CB4 5DS

LC. What do you reckon on the fanzines on todays scene ?
GO. Fanzines can only be a good thing as they are the only way we have got to communicate with others like us to find out whats going on.The best ones we've seen are Last Chance,British Oi and Pure Impact.

LC. As we bring this interview to a close could you give the readers an idea of some of the subjects that you cover in your songs ?
GO. They range from songs about the growing number of immigrants inflicted upon our land, to acid freaks hooked on drugs and the rising threat of Communism in our country just when the rest of the world is escaping it.

LC. Lastly, Have you any messages for our readers out there ?
GO. Stay with it,go to the gigs,read the fanzines,and lastly,dont get married cos it makes you boring !



Last Chance would like to thank Charlie and the rest of Grade One for their Interviiew and wish them all the best for the future. Cheers.

IRISH SKINHEAD SCENE

Stand up and be counted

I INVOKE the help of every decent and humane 'Irish' citizen on this island of ours, to help prevent the further slaughter of human beings in the name of Ireland. I beg you not to allow Constable Robinson's brutal murder to be in vain and that of countless numbers of people who have also been butchered to go unheeded.

It is not enough any more to speak out with words against these depraved and vicious zombies. Action must be taken by all of us who respect the sanctity of human life. If we again become complacent at the recent murder of Constable Robinson, the blood of this man and any future victims is on all our hands, and my conscience will no longer allow me to sit back and do nothing.

We are the electorate of this sorrowful and pitiable country of ours, which allows terrorism to rule without any fear of being punished for their monstrous and vicious deeds. How must we look to the rest of the world, when we send our much needed soldiers to the Lebanon to keep the peace and watch over its citizens, when we need them here to protect the people of our own island against the worst terrorist group in the world?

We have a say as to whether or not these monsters should be allowed to continue to destroy the lives of families on this island and in other European countries.

The politicians have failed to tackle the "Insane Rodents' Association" more commonly known to us as the I.R.A. But we have an obligation to that which stands for right and wrong, for justice and injustice. We have an opportunity to speak out, to stand up and be counted for what we know in our heart and soul to be right.

If we stand by and watch injustice and do nothing we too will become the victims of that same injustice. I am not prepared to allow this to happen to the country I love nor to its inhabitants, North or South.

My revulsion at these terrorists outweighs any fear I may have had of them in the past.

Kav,Steve, Dodger,Mano

Well this issues skinhead scene report is from a bit nearer home than last issues,we have chosen Ireland or Eire as some people prefer to call it.
I think that it would be fair to say that the majority of the English have got the impression that all of the southern Irish people are IRA supporters,well you will see by the newspaper clipping to your left that this is not at all so and is in fact the opposite as the clipping is a letter sent in to a top Irish daily paper and the writer of the letter (whose identity shall remain anonymous) is typical of 90% of the Irish citizens.
Anyway I'll let them speak for themselves.
My thanks go out to Mano and Kav for contributing.

Well there is a lot of skins in Dublin,most of them are reds or Sharps.There are a few good Oi skins about with a few leaning to the right politically.However these don't normally get involved with our lot because they are afraid of getting done by somebody.
When I say our lot I mean the Dublin skins that are Blood and Honour,and to be honest there isn't that many of us at the moment but nonetheless we are known all over Dublin by all skinheads and we don't really get any hassle at all.Obviously if one of us was on our own the reds might do something but there would even then have to be a few of them!
Sharp is quite big around here and one of the main leaders of all of the Sharp lot is from England,he probably got beat around too much over there but he's getting it here too!
Skin Appeal used to be the Oi band around here and they supported the Business here about three years ago.From Skin Appeal came Celtic Dawn the best band to come out of Dublin yet.They have done a 4 track demo and are ready to do their LP which will be released on the French label Rebelles Europeens soon.They've only done 2 gigs so far but both were excellent.I hear that Skin Appeal have reformed but with some new members.
We don't have a lot of trouble buying records and t-shirts as we can easily get them mail order from England.
Just one more thing,there is a new fanzine just starting up here in Dublin called War Cry which should be out in a couple of months.
As for the rest of the Irish skinhead scene,it is still quite small but no doubt it is gonna grow."

Oi Charts.

Well I've had quite a few letters back from people telling me their opinions on the charts in the fanzine some of you thought that they were a waste of space whilst others sent me in their charts.So I made the decision to keep them in Last Chance because it gives people the chance to see whats popular at the moment.So if you would like to see your charts in the next issue of Last Chance please feel free to send them in.

A SERIES OF INDEPTH INTERVIEWS WITH PAUL OF

NO REMORSE

What the hell is he on about now ?! I hear you all cry,well if you would all care to read on I will explain.
It was a cold,wet Thursday evening when I,with my aides (Jo & J) intruded upon Pauls privacy in deepest London.Say no more.
Armed with my trusty 'reporters style' tape recorder we started to interview Paul 'live' and on the spot.
This is Part one of a series of three interviews with Paul,which I'm sure will be of interest to most readers.
Now you'll have to bear with me during this article because I am not the best of typists and this is a bit of a major feat to me.But what I am hoping to do is bring it across as a recorded interview with a dialogue rather than a normal interview.You may be surprised that we dont seem to just stay on the subject of No Remorse but that is because there is a lot more that Paul does in addition to No remorse.
Anyway,yet again I can feel myself babbling,so I'll just let you get on with reading it.

To make things alot easier for you,the reader,I have decided to write everything that I say in capital letters and everything that Paul says in normal lower case letters.

ALEX PAUL,IS IT TRUE THAT NO REMORSE HAS LEFT BLOOD & HONOUR ?
Paul No! Who said that ? Thats wrong cos we formed Blood & Honour,me and Ian Stuart.If we thought that there was anything wrong with Blood & Honour we would change it.
ALEX SO YOU ARE BLOOD & HONOUR ?
Paul Yeh,me and Ian Stuart first sorted it out.
ALEX WHY DID NO REMORSE CHANGE RECORD LABELS FROM REBELLES TO ROCK O RAMA ?
Paul Basically because they offered us a deal,everyone was getting deals at the same time, Skrewdriver were signing a proper three year deal and so were Brutal Attack,and us, we decided to do it as Rebelles wasn't really a contract it was just a one off,but on saying that recording for rebelles was no problem and Gael is a good geezer.
ALEX DO YOU RECKON THAT YOU WILL GO BACK TO REBELLES OR WILL YOU HAVE TO FINISH YOUR PRESE -NT CONTRACT WITH ROR ?
Paul Yeh, we have got to finish the contract,what else can I say ? But really I dont know,Gael is a really good bloke but its whatever comes best. Rebelles have alot better covers on their records.
ALEX A CERTAIN FANZINE GAVE YOUR LATEST LP BLOOD AGAINST GOLD AN UNFAVOURABLE REVIEW & HAS SINCE RECEIVED DEATH THREATS (SLIGHT EXAGGERATION),HOW DO YOU REACT TO THIS ?
Paul I dont mind ordinary criticsm,after all if there is something wrong with our songs they should say,I dont want people to praise us if they dont realay mean it,on the other handpeople have got to realise that there is reasons why we do things and they have got to take into consideration that its the point that what we are singing about thats the main thing and if some music sound like this and some music may sound that but they should quote on that and at the same time support all nationalist bands.

ALEX WHAT ARE YOUR NEXT PLANS FOR THE RECORDING STUDIO ?
Paul We are hoping to go in December to record an lp.
ALEX ANY IDEA ON A TITLE FOR IT ?
Paul Its a bit hush hush at the moment,but were working on a few things at the moment.
ALEX NoW THAT BRUTAL ATTACK HAVE SPLIT UP DO YOU CLASS NO REMORSE AS THE NO. 2 BAND ?
Paul No I dont, but most people may consider us as the number 2 band but when we've played at other places we've been considered as higher or lower.If people like us, they like us,the last thing that I want to get involved in is petty arguements with with other bands,people shouldnt position us.I think every one knows where they lay.

ALEX WELL, I SEEM TO GET THE IMPRESSION (AND THIS IS ONLY MY PERSONAL VIEW) THAT SINCE BRUTAL ATTACK HAVE SPLIT THAT THERE MAY BE A BIT OF RIVALRY OR COMPETITION BETWEEN YOU AND SKULLHEAD,WHETHER EITHER OF YOU KNOW THAT YOUR DOING IT OR NOT,MAYBE I'M WRONG ? DO YOU THINK THAT THIS IS RIGHT ?

Paul There definately is that thing but I dont know why, because everyone that we talk to realises that if there is a line up for a gig it should go Skrewdriver,No Remorse and then Skullhead, but people should also realise that they shouldn't have to worry about things like positions,they should know already.

ALEX WHAT IS YOUR FAVOURITE NO REMORSE TRACK ?

Paul I dont know really I have different favourites as we do new songs,but I reckon that the sword of defiance was one of the best.The first version which appeared on the Debout compilation.Not the Lp version as that did'nt come out as well.
(Paul then proceeds to play it on the record player.)

ALEX DID YOU SING FOR PUBLIC ENEMY ON THEIR SECOND LP ?

Paul Yes I did

ALEX WHY DID YOU NOT SING ON THE FIRST LP ?

Paul Because I had a sore leg ! No seriously,I joined the band just as they were recording it.I was the second singer cos Darrel was the singer but he wanted to concentrate on guitar so he asked me to sing.

ALEX IS IT TRUE THAT NO REMORSE USED TO BE CALLED 'BELSON HORRORS' ?

Paul No,but we do one of their songs Solly.They gave us the song.

ALEX SORRY THAT THE QUESTIONS ARE IN NO ORDER BUT I'M ASKING THEM AS I THINK OF THEM,BUT ANYWAY, WHY DID YOU DECIDE TO START RECORDING UNDER PUBLIC ENEMY AGAIN ?

Paul Just because it was a one-off project and we decided to use that as the name, and no it wasnt for money as it goes. For the record, for that Lp I was supposed to record it with Shaun who was in No Remorse at the time but he disappeared about a week before we were due to record it.So someone told me to get in touch with Martin Cross (Brutal Attack) ,so I got in touch with him on the Monday , we had our first practise on the Wednesday and then we started recording on the following Monday. One practise and in,you know what I mean.

ALEX SO WHY DID'NT YOU USE THEM SONGS FOR NO REMORSE ?

Paul Well I had enough to do different things, its good if you can do different projects cos it keeps things different but at the same time going along the same track as No Remorse.

ALEX IS THERE ANY CHANCE OF PUBLIC ENEMY GIGGING ?

Paul No not really as Public Enemy but we do do a couple Public Enemy songs when we play as No Remorse.

ALEX CHANGING THE SUBJECT ONCE AGAIN,WHERE DID YOU GET THE NAME NO REMORSE FROM ?

Paul Mark decided to use that name.He probably didn't realise what it meant at the time though ! (Pun intended)

ALEX WHO IS YOUR PERSONAL FAVOURITE BAND OTHER THAN BATTLE ZONE OF COURSE (HA HA !) ?

Paul Skrewdriver

ALEX YOU CAN SAY BATTLE ZONE IF YOU WANT.

Paul Erm, Ok I love Battle Zone and I think they are fab !

ALEX CHEERS PAUL I'LL PAY YOU LATER.

ALEX HOW MANY GIGS HAVE YOU PLAYED ?

Paul we've played about 23 gigs. (now 25)

ALEX ABOUT 23!,THAT SEEMS MORE LIKE AN EXACT FIGURE.WHAT WAS YOUR BEST GIG ?

Paul The best was america,we did three gigs in two days in the states at the Aryanfest, and then we also played in Canada at the same time.We were over there for a fortnight.

ALEX WHAT COUNTRIES HAVE NO REMORSE PLAYED IN ?

Paul We've played in America,Italy,Canada Belgium and England,and very soon Scotland.

NO REMORSE

ALEX RECENTLY NO REMORSE HAVE SUFFERED A LOT OF LINE UP CHANGES,COULD YOU TELL ME THE PRESENT LINE UP AND GIVE ME A BRIEF HISTORY OF THE BANDS MEMBERS ?

Paul Its just Gary on bass,Wil on guitar and my brother on drums and also Rob he plays for us every now and again,he is the second guitarist,our old guitarist,Mark,should be out soon and he'll be back in the band.

ALEX I'VE GOT ONE OF NO REMORSES OLD DEMOS WHICH HAS GOT THE TRACK "BRING IT BACK"ON IT,HAVE YOU ANY PLANS TO RELEASE IT AS A SINGLE ?

Paul We were gonna bring it on single as it goes and we even got the cover done for it we were gonna have "Whats it all about" on the B side.We recorded the demo for it but it never got released in the end.

ALEX HOW OFTEN DO YOU REHEARSE ?

Paul We used to rehearse about once every week but now when we can really.

ALEX SO SOMETIMES IN BETWEEN GIGS YOU HAVEN'T HAD A PRACTISE AT ALL ?

Paul Thats right,but we do hope to start getting regular rehearsals every week again.

ALEX AS YOU MENTIONED EARLIER THAT YOU ARE SOMETHING TO DO WITH BLOOD AND HONOUR CAN YOU ASSURE THE READERS THAT IT IS STILL GOING AND EXPLAIN WHY SUBSCRIBERS WAIT SO LONG FOR THEIR ISSUE OF THE MAGAZINE ?

Paul the thing with Blood and Honour is that it costs a lot of money and its only recently that we have sorted out the finances and the organisation of actually getting it out,it actually costs more to produce than we actually make on it because we have loads of overseas readers and it costs a lot of money to send them all abroad.So we have to generate a lot of money before we can afford to get it out so thats why it doesn't seem to come out as often as we would like.But now things seem to be getting going again so hopefully you'll see it out more frequently.

Photo- No Remorse.Gary,Rob(ex-drummer),Paul,Mark.

Well thats the Paul interview for this issue but it will be continued in issue 8.and it'll be in issue 8 where you'll find out why the bloody hell I've called this interview Tea,toilet seats and chocolate biscuits,so don't miss it in the next issue of LAST CHANCE.

LYRIC SHEET

Well basically what I've got to say is a big thanks to all of the bands who sent in their lyrics for the lyric sheet it just goes to show that it is a popular feature within Last Chance and it is some thing that I intend to keep.I'm sorry to all of the bands who I couldn't include this time but keep sending them in and I'll try for a future issue.

SKULLHEAD - YULETIDE

YEARS AGO WE HAD OUR FAITH,BUT IT WAS TAKEN AWAY
AND THE BIGGEST INSULT OF IT ALL,IS WHAT THEY NOW CALL CHRISTMAS DAY
THEY SAY THAT JESUS WAS BORN ON THAT DAY,HISTORICALLY IT IS'NT TRUE
THEY TWISTED OUR CUSTOMS TO SUIT THEIR OWN WAY,LIES CONCOCTED BY A FEW

CHORUS

IT WAS THE BIGGEST RIP OFF IN HISTORY
THEY CAN'T EXPLAIN THE CHRISTMAS TREE
THE SOLSTICE,YULE LOG AND THERES MORE
COS SANTA CLAUS IS REALLY THOR.

AS THE SOLAR WHEEL SETS LOW IN THE SKY,THE YULE LOG GIVES OFF ITS FIRE
AND THOR RIDES OUT ON A BIG WHITE HORSE,GIVING GIFTS FOR THE CHILDRENS DELIGHT
THE SIGNIFICANCE OF THE CHRISTMAS TREE,IS YADRAGGSIL REACHING THE STARS
THE STARS ARE THE LIGHTS,THAT BURN SO BRIGHT,AS TO OUTSHINE CHRISTIAN FARCE

SO THIS YULETIDE ENJOY YOURSELF,REMEMBER WHAT ITS FOR
ITS THE END OF THE YEAR,A TIME FOR BEAUTY,A YULETIDE SOLSTICE FOR ODIN AND THOR
ITS NOT A TIME FOR WORRY AND GREED,THAT THE CHRISTIAN FARCE HAS BROUGHT
OBSERVE THE TRUTH,FORGET CONFUSION,THIS IMPERIALIST WEB,IS JUST AN ILLUSION

INTERVIEW

EMPIRE

EMPIRE are a very new band to the scene,they are based in London and a although a couple of the members have been in previous bands including Brutal Attack they do stress that they are a new band and do not wish to "ride on the crest of Brutal Attacks wave" so to speak.They are currently recording their debut LP which should be out on ROR soon. Anyway I'll let them speak for themselves.Thanks to Wayne their singer for taking the time to do this interview.

LC. When did Empire form and what made you decide to do so ?
EM. Empire formed in June 1990 to try and the ailing nationalist scene in London and to spread our white message of truth.

LC. Who are the bands present members ?
EM. The current line up is WAYNE-VOCALS, MARTIN-GUITARS, GAV-BASS, LEN-DRUMS.

LC. A couple of your band members used to be in Brutal Attack,and because of this some people are referring to Empire as the new Brutal Attack,How do you react to this ?
EM. Its quite flattering to be called the new Brutal Attack but when our debut album is released in early 91 people will realise that Empire although having two ex members of Brutal Attack are a new band in both lyrics and music and do not wish to ride on Brutal Attacks reputation.

LC. Why did you choose the name Empire and why did you change it from its previous spelling of Empyre ?
EM. Empire was chosen as the bands name to remind people what we are fighting for (a white empire) the original spelling was with a Y instead of an I,but some people kept asking why we spelt it like that,so we decided to change to Empire to stop the stupid questions.

LC. What musical influences do the band follow ?
EM. The band do listen to other nationalist rock bands but our influences are spiritual and we hope that it comes out in our lyrics and music.

LC. Do you have any favourite bands ?
EM. My personal favourite bands are Skrewdriver,Skullhead,Battle Zone and Brutal Attack along with some loyalist bands.

LC. What are your views on the declining skinhead scene in London,Do you think that it will get better or worse ?
EM. Its bad news skinheads are declining in London but there are still as many nationalists and I think that it can only get stronger with more gigs in London and the outlying areas.

LC. Are Empire a political band and do you intend to use politics for the subjects of your songs ?
EM. Empire will have a political content within its songs as well as songs about past and future glorys of the white race.

INTERVIEW

Interview with Empire cntd.

LC. Do you have any merchandise available,and where can it be obtained from ?
EM. Empire have got T-shirts,Patches and Posters in production at the moment for more info contact;PROPAGANDA MUSIC, PO BOX 1008, LONDON E9 6JY.Please enclose an SAE for a reply.

LC. What are your plans for the recording studio ?
EM. We are at the moment recording our debut album called "Rise of a World Empire" to be released around Feb 91 and then a single to be released at the same time on Rock o rama.

LC. When will we expect to see Empire gigging ?
EM. We will be gigging early 1991 as we are very busy recording at the moment but as soon as that is out of the way we will be playing in London at venues which we have already found.

LC. Are you a Blood & Honour or Unity band ?
EM. At this moment we are neither Blood & Honour or Unity but we support both in what they are trying to achieve.

LC. Finally,do you have any messages for Last Chance readers ?
EM. Keep on fighting and keep the faith as we will win.

Well Last Chance would like to say thanks to the lads from Empire for their interview and wish them the best of luck with their forthcoming releases.Cheers.

UPDATE

If a band has already been interviewed within the pages of Last Chance that doesn't mean that its the last time that you will ever hear about them.
Last Chance is gonna have band updates because in the "dog eat dog" world of Rock n Roll there is a lot of changes,so instead of asking the same questions you would normally ask new bands,we'll ask them whats happened since etc.
The first band which is gonna have an update is Leicestershire based band English Rose.Jonesy their singer kindly answered a few questions for me,he even typed it all up for me.
English Rose first featured in Last Chance back in issue 2 which was well before my editorship.
So if you could kindly look to your right to see what they've got to say for themselves.....

Interview/Update for Last Chance...

1.I understand that you have had problems with the line up-could you tell us breifly what has happened with English Rose since the single?
We played our last gig back in early July and shortly after that split up due to problems with our old guitarist Mick.We had a few problems in finding a replacement and thought we would never get back together,but we recently recruited two new guitarists.Our line up now is:-

Jonesy-Vocals. Spen-Bass. Kel-Guitar. Guinness-Guitar. Blakey-Drums.

2.Where do the band now stand politically?
Politically there is no real change to English Rose.The two new members are not that interested in politics and are more into the musical side of the band,we are still a white pride band and stand loyal to our race and nation.

3.Are you still planning to release an L.P?
Yes,we will be releasing an L.P on the Rebelles Europeens label and will start recording as soon as the two new members of the band have picked up the ten tracks we are going to use.If all goes well recording will start late this year or very early next year.

4.Are there any other plans?
As well as the L.P we hope to release a single or two,nothing definate though yet.There are two t-shirts in the pipe line and also a poster. With our new line up we hope to venture out musically and also record a number of non-political songs for the benefit of Kel and Guinness who as mentioned in the answer to question 2 are not that heavily into politics.

5.As you now have a new line up will you be playing the same songs or will you do some Guttersnipe Army ones?
The 10 songs for the L.P have all been played live but not all of them are that well known.Two songs that will appear on the L.P that people will know are re-recorded versions of PROUD NATIONALIST WARRIORS and WASTING AWAY,aswell as the tracks for the 1.P there's a lot of material that has been written over the past few months.As for Guttersnipe Army songs we have no plans as yet to play any of their numbers but seeing as Kel is an ex member we might talk about it.

6.What was the reaction to your debut single?
Our single sold well across Britain,Europe and America and the response was great.We were quite happy with the recording but know that we are a lot more experienced and hope to show that when we record the 2 tracks again for our L.P.

7.When are you hoping to get back on the gig circuit?
We haven't decided when we will start playing gigs again,our main aim is to get the L.P recorded then we will decide on gigs.

8.Any last messages?
First can we say sorry to anyone who has had to wait for replies to letters or for merchandise while the band has been split up,we are now replying to all of those letters.A big thanks goes to you Alex for the update/interview much appreciated mate,we wish you all the best in the future with Last Chance.

Well I'm afraid that Last Chance is now going to have to be the bearer of bad news, this is indeed a sad day in the skinhead world.
Alot of people have been wondering what the hell has been happening to Condemned 84, there has always been rumours going round that they have split up etc. Well I recently received a letter from Kev the lead singer and he enclosed for me to put in Last Chance the letter below which I think clears up any doubt.
There is no doubt that it is bad news as C84 were a much loved band , but all is not lost there may be a chance of them reforming in the states. Lets hope that we havent heard the last of Condemned 84 and that they find success in america.
I'm sorry if you reckon that the letter is a bit dated, but I thought that it was better late than never .....

NEWS

After practising with original guitarist "Mick Brummitt" it was found that he was no longer up to standard regarding his position in the band, so for this reason 'Condemned 84' have disbanded, our current guitarist "Mark Magee" is living in Atlanta/U.S.A. with his wife with no intention at the time being of returning to the U.K. Drummer 'Cliff' has recently married an American girl and although he is currently in the U.K. he will be returning to live in the U.S.A. in September 1990. Therefore there was no point in trying to recruit a new guitarist for the short time concerned. As with half the band being resident in Atlanta/U.S.A. the only chance of possible reforming is for vocalist 'Kev' to move to Atlanta to carry on the band at the moment this is not definitely confirmed.

We'd like to thank all supporters world-wide who have supported the band through the years, who have made us what we are today! without you it wouldn't have been possible, if the band is reformed in the U.S.A. a new bassist will have to be found as 'Gunk' will be staying in the U.K. with his family. We don't see this position being a problem, meanwhile 'Cliff' will be helping out 'No remorse' till his departure to the U.S.A. where the future for 'Condemned' will be sorted out. Merchandise such as:- T-shirts, posters, videos and records will still be available from the above address until further notice. There are new songs to be recorded for a new 12" e.p. which ought to see the light of day, so there is light at the end of the tunnel with new songs in the pipeline. Thanks again for your support.

THE STORY SO FAR.....

P.O.BOX 534,CHELMSFORD,ESSEX,CM1 2RN

Well hello there again and welcome to another issue of SSF.The response to SSF has been alot better than in the past.But nevertheless its not as good as I'd have liked and I'm finding myself obtaining all of the news and gossip within these pages from my old sources which means that as you people aren't writing to tell me whats going on I may not be hear -ing all of it.So please if you know something interesting that we all might like to know write in and let us know.
My ambition is to start an issue of SSF without me having to moan about this,so with your help,the next issue will go straight into the news without me winging on ! But I do need to stress the importance because eventually I'll get fed up of having to go well out of my way to do this.Anyway you have been warned,please,if you've got anything interesting send it in.Dont be afraid !
As usual I find myself droning on so I'll let you get on with reading whats news.....

SCOTLAND GIG

Scotland recently held its first skinhead concert for a long time.There was two bands on the bill No Remorse and Battle Zone.All in all the gig went really well under the difficult circumstances.For example the hall was the local councils who happen to be labour. When they found out that there would be 'Facist' bands playing they tried unsuccessfully to call it off,firstly by refusing permission to have a bar and then by getting the old bill in.Unfortunatley for East Kilbride council it didnt't work,the gig went on and the lack of alchohol problem was solved by the local off licence.
The gig went ahead really well,and both bands got a good reception.Although the turn out was quite small it didn't seem to matter.
We'd like to thank all of the organisers who made it possible and a special thanks to 3 of the Milton Keynes boys who came all that way to see the bands.
And the good news is that they are gonna be a more regular occurance in scotland with the next one in Feb.

BULLDOG PROMOTIONS

Bulldog promotions is a new outfit that is based in Chelmsford.What it hopes to do is basically get hold of all those old records that you've been after for years.
It also stocks a large amount of newer records alongside some second-hand rarities.
They have a list available of what they've got at the moment.But what they also welcome is your wants lists,so if you jot down all the records you need and how much you are willing to pay for them and send them to BP they've got a good chance of finding them.
From time to time they also stock posters,books and other bits and pieces.
At the moment they are still a small outfit done by a bloke in his spare time but I m sure that with time it'll get bigger.If you want to drop Bulldog promotions a line,send an SAE or IRC to BULLDOG PROMOTIONS,PO BOX 534,CHELMSFORD,ESSEX CM1 2RN,ENGLAND.
And before you say anything,no,its not me running it (as if I aint got enough on my plate) its a good friend of mine who is now using the PO Box as well as me.

SKULLHEAD

Skullheadare going through their fair share of problems at the moment,which is unfortunate. Soon after recording their third Lp entitled 'Cry of Pain' Raish their drummer was sent down,although he didn't get as long as expected.Also since then Kev the singer has been arrested and held on remand.Obviusly I can't really go into the details too deeply but needless to say that he isn't very happy. Its still not sure when his court case will be.But we wish him the best of luck.
Skullhead as I mentioned a minute ago have been in the studio and not only did they record the Lp they also recorded 4 other tracks.2 of them are for the forthcoming compilation LP Gods of War Vol 4. and the other two songs are being released as a single which should be out by the time that you have read this.The single will be called 'Yuletide' the B-side is called Memories,and I tell you something they are both shit hot.

AND ALL OF THE REST .....

Well once again I've left loads of space for the all of the rest bits and pieces cos as usual there is loads of them.You may probably have noticed the new typing format on this page but not on the other page,well that is mainly due to the fact that since I typed out the first page of SSF I have bought myself a new flashy typewriter which is a lot neater than the old one.Anyway I'll get with all of the bits and bobs like,on the new releases front there has been loads of bands in the recording studio Skrewdriver have recently recorded their new LP although I'm not sure on the title of it.As I mentioned earlier Skullhead have recently come out of the studios to do their third LP and a couple of other projects at the same time.Grade One are due to go into the studio on Jan 10th to record two songs which if come out good enough will be released as a single.The two songs that are being recorded are "Hail the new land" and "Fighting on our streets".New band Empire are currently on the last stages of their debut LP.Italian oisters Klasse Kriminale are working on their second LP which I'm told will feature Cock Sparrers "Running Riot" sung in English.Section 5 have got a recording of one of their 1990 gigs which is really good quality for a live LP but now they are unsure whether its gonna be released as Link records are doing funny and strange things at the moment.Yes,Link records have deleted nearly all off of their Oi lists.They are concentrating on their limited edition releases.Shame really cos they were doing a good job in many ways.Two German bands are releasing a back to back both of the bands are from Bremen and are Endstuffe and Volksgemurmel which should be out in about mid Jan on ROR.
Other exciting news,is that some of the Richard Allen skinhead series books are being re-printed the first batch to be released are Skinhead,Skinhead Escapes,Suedehead,Trouble for skinhead and Skinhead Farewell.For more details on those if you drop me a line and I will pass it on to the people concerned,they are due to be released in about April or May 1991.
I dunno if any of you lot listen to radio one at all but I have the unfortunateness of having it on the radio all day at work,but anyway I was listening to an article which was saying that in Europe particularly eastern bloc there is an increase in football violence and that they were giving the UK the blame !But they were not blaming the british football hooligans for the bad influence but british skinheads !I really don't understand that cos you dont really see too many skins at football anymore let alone causing the trouble.
Other news that I've heard on the grapevine is that scottish band British Standard are reforming but are having trouble getting a full line up,but when they get that all sorted out they'll be back on the old scene.
Close Shave and Battle Zone have recently done a mini tour which was a good laugh and only on e of the gigs was cancelled due to the fact that the venue burnt down the night before!Whilst on the subject of Battle Zone they should have recorded their debut LP over the X-mas hols but as Alex the singer has had to have his tonsils it has been postponed and will be recorded in Jan or Feb 1991.
Thunor services have now got their third catalogue out now which is available from their normal address which is elsewhere in the zine.
The american WAR movement has suffered a major setback (understatement) as they have been sued for everything they own in an american court and they lost.Richard from Hammer of Thor was in a bit of trouble with the old bill due to the some of the contents of his zine and no-one has seen or heard from him since.Talking of that whatever happened to Chad with Pride of the North cos he was being charged too.Does anybody out there know ?In London now there is an Oi disco every monday 7-30 til 11-00 at Ye Old Axe,Hackney road,Bethnal Green.Not sure whats its gonna be like. Cos I aint been,but as its free to get in its gotta be worth a try.
Anyway its time to bring SSF to a close as I've run out of space but I aint run out of news.Never mind it can wait.Well,I'm off,looking forward to all the letters that I'll undoubtedly get.Keep the faith.Till next time,Cheers.

RECORD REVIEWS

Well hello there,there isn't really a hell of a lot of new stuff out on vinyl at the moment,which has left me no option but to review a couple of tapes of things which are due to come out in the near future.
I didn't get very much help with the record review this time,so please if you've recently bought a new record and you want to tell everyone what you thought of it send in your review.

EXPLOITED - THE MASSACRE LP

This is the exploiteds 10th LP.Over the years the exploiteds music has got louder and faster and now I'm wondering how much further it can go.
When I picked up the LP and looked at the song list I was not one bit surprised to see a track called "Dont pay the Poll Tax" but I suppose it would not be an Exploited album if wasn't anti something.
The best track on the LP is definately the excellent title track "Massacre" which is very hard and fast but "Porno Slut","FuckReligion" and "Blown out of the sky" aren't far behind.
If you liked"Death before Dishonour" Lp you'll love this LP.
Especially for a man who has never lost the faith! 9/10

SH

SQUADRON - OUR TIME WILL COME LP

I have had this Lp for quite a while now,but as I understand that it hasn't been easily available here for that long that it'll still be worth reviewing it.
The LP has got 12 songs on it all of which are of a high standard, especially for their debut LP. The first side kicks off with the track "Master Breed" which is powerful as an opening track should be. Next is the song "R.I.P." which tells of the Third Reich and is normally better known as "Ein Volk, Ein Reich, Ein Fuhrer", and has a really good singalong chorus which is particularly good live.
"Poisoned Youth", "Full ov Shit", "No red Flags" follow on which are all in the same vain. Side one comes to a close with "Burn the Books" which for me personally is the best song on the LP and sings about a very important subject which we all seem to forget about, which is the half-truths and fabrications in all our history books.
Side two starts with "White Law"and "Traitor" then the third song on this side is the title track which is really good with another singalong chorus.
The LP comes to a close with the songs "Birthrite", "Time for Change", and "Actions Speak Louder".
For this which is their first LP, I think that it is a really excellent effort and not one of the songs isn't worthy of being on it.
Definately recommended if your tastes are a cross between Sudden Impact and Brutal Attack which is what I think they resemble ,but they do have their own individual sound.
A must for anyone's record collection. 9/10

AS

SKULLHEAD - YULETIDE (to be released as a single)

Well I gratefully received a copy of this on tape from Spin.
The tape also had on it the tracks for their forthcoming LP but I was asked not to review that.The Yuletide single is due to be released

on Rock o Rama records very soon after Christmas.Its gonna have just two songs on it,"Yuletide" and "Memories".
Whether it will have a picture sleeve on it I am not sure.
Anyway,more importantly you want to know what the songs are like.
Well I can tell you now they are both BRILLIANT. Yuletide is about the Odinist faith and explains their theory of Christmas,the song is in true Skullhead style but I think better,I think that perhaps the reason for this is because they had the benefit of a very good studio and got a good recording where you can hear every single word that Kev sings.There is even splashings of seasonal "jingle bells" style music along with a deep HO HO HO ! in the true festive spirit.
Although the song may sound a bit tongue in cheek by the way that I'm describing it,its not,it does have a serious message and if you would care to look on page 10 on the lyric sheet you will be able to see the words to it.A bit heavy for me mind you !
The B side "Memories" is a slow ballad type song but nonetheless is also very good.Especially if you listen to the words.Its about an old school mate who joins the army straight from school and then during service in Ulster gets killed by the IRA.
A very good song and sung passionately by Kev (honest!).
This single is an absolute mus for any Skullhead fan,and even if your not too familiar with them,nows a good time to start. 10/10

AE

KEN McLELLAN - A WOUNDED MAN (to be released as an LP)

Well, I've got to say that I was very much looking forward to hearing this LP but when I did eventually get it I was quite disappointed with it.Don't get me wrong,it aint bad if you like that sort of thing but unfortunately I don't.
It seems that Ken has gone towards the more slower rockier type songs where the emphasis is on the vocals,and the music is just the background sound.Do you know what i mean ?
To me that sort of music is OK as long as I don't listen to too much of it.Much of the Lps in the vain of "alright now" but as there are no cover versions on it (none which I am aware of) , it lacks the familiarity of "alright now" so its not as easy to get away with.
Some of the tracks include "The Blade","Swords around the Throne" "Lost and Found",Winds of Change" and "the Martyrs of Essen".
Like I said its not a bad LP if you liked "Alright now" but if you didn't like that,this is not for you.
On saying that it is still a must for Brutal Attack fans and collectors because its prominence is the un-mistakable voice of Ken.
All in all if you liked the rockier Brutal Attack you'll like this but if you prefered the Oi or faster style this may not be for you.

SKREWDRIVER SERVICES

Skrewdriver Rising

B.M.Skrewdriver,
London WC1N 3XX.

Alot of people are becoming a little bit disheartened about alot of the mail order services,none moreso than Skrewdriver Services Since the split from non existant White Noise its been difficult to know who is going to rip you off.
Skrewdriver Services was set up during the WN days to make it alot easier to get Skrewdrivers merchandise as at that time no shops would dare to sell it.
Well you will probably be surprised to know that it is still going,so instead of just printing an advert,I thought that it would be better if I asked the people that run it a few questions which would hopefully clear the doubt from peoples minds.

LC. Does Skrewdriver Services still exist ?

SS. Yes , we are still going and the address is still,SKREDRIVER SERVICES,B.M. SKREWDRIVER,LONDON WC1N 3XX.

P.S. Just one more thing about Skrewdriver services that you might be interested to know. Anything that you buy from them which turns out to be faulty will be either refunded or replaced by them. ODDS AND SODS (Story so Far extra)..

Well as this fanzine draws to an end I thought that I'd find some more space to add a few more gossip items to the Story so Far as there has been a lot of things going on since I typed that out.
Firstly I must go back on a statement that I made in a previous SSF about the Beat of the Street magazine,well I since received a reply from the editor who also reimbursed me with the rest of my subscription fee,if anybody else out their subscribed to BOTS magazine if you write to BOTS,Po Box 202,Glasgow,G12 8EQ. I'm sure that they will send you your money back too.Incidentally BOTS has been taken over by the editor of a left wing Punk zine called 20th Century Saints.
I've also heard from someone that there is a NS movement based in Harrogate,N.Yorks. who is slagging down skinheads left right and centre,especially B&H,this movement have a magazine called "Gothic Ripples".Avoid it !
A bit of an update to the Kev Turner story but obviously you've got to be careful what you say,but in his own words he is being held on remand on "trumped up charges".hen he gets out he is gonna be working on an LP with a variety of different musicians with songs about odinism and its folklore.
In the SSF I mentioned that Link records were doing odd things well basically what it is is that they've deleted most of their Oi releases.And not only that but I hear that they have signed up Motorhead !
Also in the SSF I mentioned that I hadn't heard from either Richard (Hammer of Thor) and Chad (Pride of the North).Well I have now heard from them at long last and it seems that Chad got sentenced to 4 months for his zine and has done his bit,and it seems that Richard and H.O.T are back on the scene as I got the belated summer special H.O.T last week.
If your into Celtic art,jewellry,literature or anything like that,there is a mail order company down in deepest Cornwall who does all that and its good stuff too.For a catalogue send an SAE to - Celtia Ltd,Pethick Cottage,Nomansland,Looe,Cornwall,PL13 1PX.Mention Last Chance when writing.
Kev of Harlow has been having a bit of trouble with the CID at the moment so you might find that when you write to Skrewdriver Services that it takes a while to reply,but a reply is guaranteed.
Another interesting fact,I hear that the Cockney Rejects are planning a tour in early 1991,but unfortunately they are sticking to playing their heavy stuff.Never mind !
Anyway thats all for the gossip this issue,keep me posted.
